DIRECTIONS TO BEST CHECKS AT 101-C REAR WAREHOUSE:

(This is in the back of the warehouse building directly across the street from our main offices at 100 Executive Dr.)

FROM THE BELTWAY WHEN YOU'RE DRIVING TOWARDS TYSONS/FAIRFAX:

From the beltway take the Dulles toll road exit 12 (Reston/Herndon), Route 267 **West**. Stay on the Toll Road (\$.75 toll) approx 10 miles. Take the Route 28/Sully Road **North** exit (\$.50 toll at the booth). Merge onto Route 28 North and go about $\frac{3}{4}$ miles, staying in the right lane. Take the Route 606/Old Ox Road **West** exit. Go to the 2nd stoplight and make a **right** onto Cedar Green Rd. Make a **left** turn onto Executive Dr. If you are a car or small truck, make an immediate **left** turn into the parking area and drive to the left to the back side of the building and look for the 101-C address on the building. If you are a tractor trailer type vehicle make the 2nd **left** turn into the parking area and drive straight ahead to the back side of the building and look for the loading dock with the 101-C address on the building.

FROM I-66 WHEN YOU ARE WEST OF CENTREVILLE AND HEADING EAST:

Take Route 66 East to the Route 28 North exit. Take the Route 28 North exit and go approximately 10 miles. You will pass Chantilly, Route 50, Dulles Airport and the Dulles Toll Road. After crossing over the Toll Road, go about $\frac{3}{4}$ miles, staying in the right lane. Take the Route 606/Old Ox Road **West** exit. Go to the 2nd stoplight and make a **right** onto Cedar Green Rd. Make a **left** turn onto Executive Dr. If you are a car or small truck, make an immediate **left** turn into the parking area and drive to the left to the back side of the building and look for the 101-C address on the building. If you are a tractor trailer type vehicle make the 2nd **left** turn into the parking area and drive straight ahead to the back side of the building and look for the loading dock with the 101-C address on the building.

FROM WASHINGTON DC:

Get onto I-66 West. You can get on I-66 from the Roosevelt Bridge (Constitution Ave/Kennedy Center area), or you can cross the 14th Street Bridge and take the Route 110 North exit and stay on Route 110 North until you see the signs for I-66 West (at Rosslyn). Stay on I-66 West until you get to Falls Church. Stay to the right and take the Dulles Access/Toll Road/Dulles Airport, Route 267 exit. Go approximately 4 miles to the Dulles Toll Road toll booth entrance (\$.75 toll). Stay on the Toll Road approx 10 miles. Take the Route 28/Sully Road **North** exit (\$.50 toll at the booth). Merge onto Route 28 North and go about $\frac{3}{4}$ miles, staying in the right lane. Take the Route 606/Old Ox Road **West** exit. Go to the 2nd stoplight and make a **right** onto Cedar Green Rd. Make a **left** turn onto Executive Dr. If you are a car or small truck, make an immediate **left** turn into the parking area and drive to the left to the back side of the building and look for the 101-C address on the building. If you are a tractor trailer type vehicle make the 2nd **left** turn into the parking area and drive straight ahead to the back side of the building and look for the loading dock with the 101-C address on the building.

FROM WINCHESTER:

Taking Route 7 East for approximately 37 miles from the Route 7 - Interstate 81 junction. Take the Route 267 East / Dulles Greenway exit (toll road) for approximately 11 miles. Take the Route 606 / Old Ox Road exit and pay toll (\$2.90). Turn **left** at stop sign past the toll booth. At the second stop light, turn **left** on to Cedar Green Road. Make a **left** turn onto Executive Dr. If you are a car or small truck, make an immediate **left** turn into the parking area and drive to the left to the back side of the building and look for the 101-C address on the building. If you are a tractor trailer type vehicle make the 2nd **left** turn into the parking area and drive straight ahead to the back side of the building and look for the loading dock with the 101-C address on the building.
